A New Vision in Educational Services and Materials, Inc. (NEVESEM, Inc. dba Dreyfous and Associates) was established in San Juan, Puerto Rico in 1993, and has been consistently pursuing its mission of providing educational and technological products and services of excellence.

Nevesem strongly advocates the integration of technology into the teaching and learning process; therefore, we are in continuous development of new and innovative instructional technology solutions. As innovators we have always been recognized for our cutting edge research which has allowed us to consistently exceed our customer's expectations. Our services are focused on addressing the needs of the public and private educational communities.

We have been awarded four (4) patents and currently hold over 15 registered trademarks from the United States Patent and trademark Office. Since 2001 the company has served as the premier Internet service provider funded by the federal E-Rate program in Puerto Rico. We currently provide filtered Internet services to over 300 nonprofit academic institutions such as private schools and public libraries.

Throughout the years the company has had the opportunity to successfully develop, implement and fulfil significant projects within the public and private school systems. In 2014 we were selected to service RAD #5 (Red de Apoyo Diferenciado) for the Department of Education of Puerto Rico. For the last two years we have been implementing "Proyecto Trei" for three public school districts servicing over 400 schools. For "Proyecto Trei" we developed the tools necessary to help teachers prepare their lesson plans as well as providing quick access to digital curricular content aligned to the Puerto Rico Core Standards for grade levels K-12.

We have 18 years of experience as internet service providers (ISP) through the E-Rate program for private schools and public libraries. Dreyfous and Associates has installed over \$25 million dollars in telecommunications equipment such as routers, switches, access points, servers and cabling among others. We currently provide on-site technical assistance and managed services to over 300 non-profit organizations in Puerto Rico.

physical servers, security equipment, telecommunication services (Firewalls, Content Filters, Routers, Switches, access points, wireless controllers, redundant UPS, electric generators) and data storage (SAN) interconnected to redundant Fiber Optic connectivity, and point to point antennas to distribute internet that originates from a variety of internet service providers (AT&T, Claro, Liberty, Critical Hub, Blackburn Technologies). We also provide a Help Desk call center that offers technical support and troubleshooting services to all of our customers.

Our IT department is composed of 20 employees with over 18 years of experience providing technical services to all the non-profit educational institutions and public libraries that we service to guarantee a prompt resolution to technical challenges and provide a consistent and continuous service.

Our experienced and qualified personnel have the following qualifications and certifications.

- Microsoft Education Partner - MCTS
- Cisco Systems - CCNA
- Fortinet Partner – NSE-1
- Mikrotik – MTCNA, MTCRE
- Ruckus Wireless – Elite Partner
- Ubiquiti - UBWA
- HP Business Partner
- Iboss Partner
- Grandstream VOIP Certified Partner

Nevesem (dba Dreyfous & Associates) Is a Cisco distributor and according to “Ley para Inversión en la industria Puertorriqueña” has a preference value added of 2% on equipment. RedDot is a Cisco partner who has appointed Nevesem as an exclusive representative to this bid ( see attached letter) and Cisco is backing up us on this bid (see attached letter from Cisco).

Also, Nevesem is a service provider and a small business, therefore according to “Ley para Inversión en la industria Puertorriqueña” has a preference value added of 2% on services.

In support to this RFP we have partnered with Phoenix Fund to provide and guarantee the necessary funding to implement this Project. Since this is a native fund, the plusvalia resulted from this RFP, therefore we are hereby also requesting that the preference resulting because from the “plusvalia” of a local business of 2% is also apply when comparing NEVESEM submitted price to others (see Phoenix Fund letter.

Since 1993, Nevesem has provided Puerto Rico’s schools (privates and publics) the best solutions in education and technology.

Cordially,

Ricardo Dreyfous, Ph.D.  
President
