Dear Mr. Narváez:

Puerto Rico Telephone is pleased to present its proposal in response, to the RFP PRDE-OSIATD-2018-003, for Wireless Equipment and Services. After evaluating's educational and technology requirements, PRT understands that's success depends on all mobile users having fast and reliable access to the Puerto Rico Department of Education broadband Internet facilities and educational solutions

We are presenting an excellent cost-effective proposal for WIRELESS LOCAL AREA NETWORK SOLUTION and fully comply with PRDE recements presented in this RFP. PRT's WLAN solution is cloud-based wireless equipment solution for all schools in support of PRDE the Technology Plan.

This proposal meets all the recurrent of the RFP, including but not limited to, financial capacity, product quantities, service levels, reporting, and technical training. All the documentation of the PRDE and the web page was verified and analyzed by us. PRT confirm that the proposed services and costs will remain valid for one hundred and eighty (180) days following the proposal date.

PRT is committed to the wellbeing of our community and to the Department of Education. We have responded to all facets of the Form RFP as well offered a robust WLAN solution. We are available at any time to respond to answer and clarify doubts and looking forward to present Technical solutions to comply with this RFP as original indications. Still waiting for new date for proposer finalists and presentations and product demonstrations.

Our dedicated employees, advanced technology and commitment to education make PRT the strongest partner for the Department of Education. We are grateful for the opportunity to submit this proposal and look forward to our continued partnership to the education in Puerto Rico.

Cordially,

Enrique Ortiz de Montellano Rangel  
President
