

## PROPOSAL SUBMITTAL FORM 10: MOBILE DEVICE SPECIFICATIONS

Instructions: Complete this worksheet for each type of technology solution proposed. Fill in each blank with the requested information. You may attach additional pages to provide complete information where required. This RFP does not require that all these fields be accounted for, but if a Proposer is providing an option that fits one of these categories, these fields must be completed. Please specify which items are optional, if any. If additional items (fields) need to be added to this list of products and services to best reflect your proposed solution, please make note of this and add any necessary data.

### Mobile Device Description

|                                |  |
|--------------------------------|--|
| Manufacturer                   | HP   |
| Model                          | ProBook x360 11 G3 EE  |
| Processor                      | Intel Celeron N4100 Quad Core Processor (1.1 GHz up to 2.4 GHz)<br>Intel Pentium N5000 Quad Core Processor (1.1 GHz up to 2.7 GHz) |
| Graphics                       | Intel UHD Graphics 600 (Intel Celeron N4100)<br>Intel UHD Graphics 605 (Intel Pentium N5000)                                       |
| Memory                         | 4Gb DDR4   |
| I/O (Input/Output) Ports       | (2) USB 3.1 (1) USB Type C (1) HDMI Port (1) Headphone<br>/Microphone combo jack (1) RJ-45 (1) AC Power Connector                  |
| Connectivity                   | 802.11 a/b/g/n/ac Wi-Fi (802.11n 2.4GHz and 5GHz) + Bluetooth 4.2  |
| Hard Drive Type                | SSD  |
| Hard Drive Capacity            | 128Gb  |
| Camera                         | 1MP HD Webcam  |
| Display Type                   | LED Touch Screen   |
| Display Size                   | 11.6"  |
| Display Resolution             | HD (1366 x 768)  |
| Battery Capacity (ex. 7200mAh) | 4212mAh, Charge to 90% in 90 mins  |
| Duration (ex. 8 hrs.)          | Battery life up to 16.5hrs (for SSD)   |
| Dimensions (W x D x H)         | 300 mm x 205.95 mm x 19.95mm   |
| Weight (lbs)                   | 3.18 Lbs   |
| Accessories included (if any)  | None   |

| <b>Provide industry benchmark test results, including information about how long the device will operate on a single battery charge under these conditions:</b> |   |
|---|---|
| <b>Activity</b>   | <b>Time</b>   |
| Web-browsing  | Estimated time 11 Hrs (**)                          |
| Multimedia (video/audio)  | Estimated time 9 Hrs (**)                           |
| Reading eBooks  | Estimated time 10 Hrs (With not Wlan services) (**) |
| Stand by time   | Estimated time 16.5 Hrs (*)                         |

(\*) Benchmark based in MM14.

(\*\*) Estimated time based in previous test
