

Good afternoon. In this email we are sending the link to connect to the Third Party Fiduciary Agent RFP PRDE-OCCOA-2020-001 Pre-proposal Conference.

This link will give you access to view the presentation and listen to the presenter. It is important that once you connect, your microphone should be muted and your camera is off.

If you have problems connecting please send us an email at: rfp-tpfa@de.pr.gov .
